*ABPM MOC Approved
This course, presented by the Division of Occupational and Environmental Medicine in the Department of Medicine at the University of California, San Francisco, is designed to provide occupational health professionals with a review of clinical toxicology, epidemiology, and the evaluation of occupational and environmental diseases and injuries. The curriculum will also include a substantial component focused on issues specifically pertinent to health and safety of transportation and maritime workers.

This course is approved for American Board of Preventative Medicine Maintenance of Certification credit and is a comprehensive update for occupational medicine specialists. In addition to occupational medicine specialists, this course is also designed to meet the needs of primary care providers and others engaged in occupational health practice and research including physicians (family physicians, general practitioners, internists, emergency medicine specialists), nurse practitioners and other nursing professionals, physician’s assistants, industrial hygienists, and health care researchers and policy makers.

An attendee completing this course will be able to:

- Analyze medical data derived from medical research findings, particularly toxicological and epidemiologic investigations, and incorporate them into practice to improve patient outcomes;
- Evaluate scientific evidence for patient care indicators in the field of occupational and environmental health;
- Improve diagnostic methods for selected occupational and environmental conditions and expand treatment options;
- Identify potential chemical, physical, and biological environmental causes of health concerns at the individual patient and community health level and the related regulatory management of specific work-related scenarios.

**OBJECTIVES**

**ACCREDITATION**

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. CONFERENCE LOCATION

The Holiday Inn San Francisco Golden Gateway Hotel is located in the heart of downtown San Francisco, just steps away from the historic California Cable Car turnaround. The 26-story, 499 room hotel offers fantastic city views. Their tastefully appointed, newly-renovated guest rooms begin on the 6th floor of the hotel and all offer free wireless internet access. Located in the lower Nob Hill / Pacific Heights neighborhood, the hotel is near all major attractions: the Golden Gate Bridge, Fisherman’s Wharf / Pier 39, Union Square, Chinatown, the Moscone Convention Center, and City Hall/Civic Center. Abundant shopping, dining, and entertainment choices are all within walking distance.

A block of guest rooms has been reserved at the special UCSF conference rate of $145.00. You are urged to make your reservations early. The cut off date is October 10, 2009 or until the group room block is filled.

Go to www.goldengatewayhotel.com to make hotel reservations and use group code SUC. If you prefer to telephone in your reservation, please call 866-272-7098 and identify yourself as a member of this UCSF conference to receive the special rate.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable. Please take this into consideration when making your accommodation decisions.
